

*The Premium Collection*

**SP426F 4-Wide Food**

# SP426F 4-Wide Food

## High Definition Vending

So brilliant, so efficient - LED lighting is standard in *The Premium Collection*! Highlight your product to it's best advantage and sell up to 12% more!

Save time and money! LED lighting lasts up to 50,000 hours for less waste, less trips to location and less power consumption.

## Productivity

Change all your pricing, on all your machines, from your PC! *The Premium Collection* can make it happen with

the **Seaga Smart Card**

and **Seaga Smartware** software.

Change prices, settings, prizes and more and upload instantly to your

Seaga equipment! Bidirectional communication, too; diagnose and troubleshoot right from the data downloaded to the card!

## Guaranteed Vend

- Improve Reliability
- Re-credits or refunds
- Consistent home position
- Sensor self-calibration
- Reduces service calls

## Health Conscious

Today's healthy lifestyles are creating a demand for healthy vended items. Keep your customers safe and give them the variety they want. Vend milk,

yogurt and dairy products safely with

*The Premium Collection*. Complete health and safety controls are included.

## Increase Sales

Jackpot settings, meal deal combos and prize giveaways are available in *The Premium Collection*! These programs attract attention and increase sales!

The high variety, brilliant presence and flexibility of *The Premium Collection* will

attract attention and sell through for you!
