Freestanding Hot, Cold Beverage and Snack

Description

The Saeco Diamante is the only combination espresso vending unit available on the market that provides fresh ground specialty coffee drinks along with cold beverages and snacks.

Occupying a compact footprint, this machine is ideal as a one-stop vending application for small office locations. This freestanding unit offers 9 hot beverage selections as well as 4-5 product shelves with multi-position rows featuring 24-30 selections for snacks and cold drinks.
