Table-Top

Description

The semi-automatic table-top vending machine Phedra dispenses up to 8 different products. Thanks to its versatility, Phedra is the perfect choice for small size locations such as offices, motels, waiting rooms and more applications. It is equipped with the new Saeco TwinTasteTech brewing unit that allows the dispensing of both paperless fresh brew coffee and espresso coffee without any software or mechanical presetting. The product can be selected by simply pressing a button on the direct access keypad.
